

## Before Starting the Project Application

**To ensure that the Project Application is completed accurately, ALL project applicants should review the following information BEFORE beginning the application.**

### Things to Remember

- Additional training resources can be found on the HUD Exchange at <https://www.hudexchange.info/e-snaps/guides/coc-program-competition-resources/> - Program policy questions and problems related to completing the application in e-snaps may be directed to HUD via the HUD Exchange Ask A Question.
- Project applicants are required to have a Data Universal Numbering System (DUNS) number and an active registration in the Central Contractor Registration (CCR)/System for Award Management (SAM) in order to apply for funding under the Fiscal Year (FY) 2018 Continuum of Care (CoC) Program Competition. For more information see FY 2018 CoC Program Competition NOFA.
- To ensure that applications are considered for funding, applicants should read all sections of the FY 2018 CoC Program NOFA and the FY 2017 General Section NOFA.
- Detailed instructions can be found on the left menu within e-snaps. They contain more comprehensive instructions and so should be used in tandem with onscreen text and the hide/show instructions found on each individual screen.
- Before starting the project application, all project applicants must complete or update (as applicable) the Project Applicant Profile in e-snaps.
- Carefully review each question in the Project Application. Questions from previous competitions may have been changed or removed, or new questions may have been added, and information previously submitted may or may not be relevant. Data from the FY 2017 Project Application will be imported into the FY 2018 Project Application; however, applicants will be required to review all fields for accuracy and to update information that may have been adjusted through the post award process or a grant agreement amendment. Data entered in the post award and amendment forms in e-snaps will not be imported into the project application.
- Expiring Shelter Plus Care projects requesting renewal funding for the first time under 24 CFR part 578, and rental assistance projects can only request the number of units and unit size as approved in the final HUD-approved Grant Inventory Worksheet (GIW).
- Expiring Supportive Housing Projects requesting renewal funding for the first time under 24 CFR part 578, transitional housing, permanent supportive housing with leasing, rapid re-housing, supportive services only, renewing safe havens, and HMIS can only request the Annual Renewal Amount (ARA) that appears on the CoC's HUD-approved GIW. If the ARA is reduced through the CoC's reallocation process, the final project funding request must reflect the reduced amount listed on the CoC's reallocation forms.
- HUD reserves the right to reduce or reject any renewal project that fails to adhere to 24 CFR part 578 and the application requirements set forth in the FY 2018 CoC Program Competition NOFA.

## **Information About Submission without Changes**

**After Part 1 is completed; including this screen, Recipient Performance screen, and Renewal Grant Consolidation screen, then Parts 2-6, are available for review as "Read-Only;" except for 3A, 7A and 7B which are mandatory for all projects to update. After project applicants finish reviewing all screens, they will be guided to a "Submissions without Changes" Screen. At this screen, if applicants decide no edits or updates are required to any screens other than the mandatory questions, they can submit without changes. However, if changes to the application are required, e-snaps allows applicants to open individual screens for editing, rather than the entire application. After project applicants select the screens they intend to edit via checkboxes, click "Save" and those screens will be available for edit. Importantly, once an applicant makes those selections and clicks "Save" the applicant cannot uncheck those boxes.**

**If the project is a first-time renewal or selects "Fully Consolidated" on the Renewal Grants Consolidation screen, the "Submit Without Changes" function is not available, and applicants must input data into the application for all required fields relevant to the component type.**

## Recipient Performance

**1. Has the recipient successfully submitted the APR on time for the most recently expired grant term related to this renewal project request?** Yes

**2. Does the recipient have any unresolved HUD Monitoring and/or OIG Audit findings concerning any previous grant term related to this renewal project request?** No

**3. Has the recipient maintained consistent Quarterly Drawdowns for the most recent grant term related to this renewal project request?** Yes

**4. Have any Funds been recaptured by HUD for the most recently expired grant term related to this renewal project request?** No

## Renewal Grant Consolidation Screen

HUD encourages the consolidation of renewal grants. As part of the FY 2018 CoC Program project application process, project applicants can request their eligible renewal projects to be part of a Renewal Grant Consolidation. This process can consolidate up to 4 renewal grants into 1 consolidated grant. This means recipients no longer must wait for grant amendments to consolidate grants. All projects that are part of a renewal grant consolidation must expire in Calendar Year (CY) 2019, as confirmed on the FY 2018 Final GIW, must be to the same recipient, and must be for the same component and project type (i.e., PH-PSH, PH-RRH, Joint TH/PH-RRH, TH, SSO, SSO-CE or HMIS).

1. Is this project application requesting to be part of a renewal grant consolidation in the FY 2018 CoC Program Competition? No  
If "No" click on "Next" or "Save & Next" below to move to the next screen.

## 3B. Project Description

### 1. Provide a description that addresses the entire scope of the proposed project.

AEOA leases 9 units in rural St. Louis County and provides comprehensive case management to individuals with disabilities that are housed in these units. AEOA has an additional 3 units in the Italian American Building (SRO Project) in Eveleth that currently receives Mod/Rehab Section 8 vouchers; these units are designated for persons with disabilities and PSH funding allows for intensive case management for these higher-need clients to ensure stabilization (total of 12 units are supported by this request). AEOA targets single adults with disabilities, including youth ages 18+. Tenants pay 30% of their adjusted income towards rent. Given the shortage of affordable housing options in the area for persons with disabilities, this project meets an unmet need in rural St. Louis County. The AEOA case manager links households to mainstream resources, mental health services, chemical dependency services, as well as connect the individuals to other community resources as needed. The case manager will work towards housing stabilization with participants through an independent living plan that targets increasing household income through SSI or employment whenever possible. The independent living plans will also include stabilization services that include mental health and/or chemical dependency services, as needed, as well as independent living skills and overall health/wellness areas. Each household has regular contact with the case manager on a weekly basis or monthly basis as the household stabilizes. Participating households have significant barriers to housing stability, which requires intensive case management and connections to multiple community services to ensure housing retention. AEOA conducts outreach to households in the AEOA Emergency Shelter system with locations in both Hibbing and Virginia. The case manager also uses this housing option for youth who are not able to enter in the AEOA Youth Foyer (a permanent supportive housing complex for youth), due to lack of space. Case Manager obtains program participants through the Coordinated Entry system, prioritizing those with the highest barriers. This PSH project works in collaboration with local service providers such as Range Mental Health Center and Range Transitional Housing that serve single adults who would be eligible for this project. Both of these organizations, as well as the Virginia HRA have been involved in the planning stages of this project. This PSH project includes leasing dollars for the 9 scattered-site, single bedroom units in rural St. Louis County and 1 FTE case manager in the supportive services budget to serve the 9 households in the community, as well as the 3 households in the SRO Project in Eveleth. In addition, minimal operating costs are being requested for the 9 units in the community.

## 3C. Dedicated Plus

### Dedicated and DedicatedPLUS

**A “100% Dedicated” project is a permanent supportive housing project that commits 100% of its beds to chronically homeless individuals and families, according to NOFA Section III.3.b.**

**A “DedicatedPLUS” project is a permanent supportive housing project where 100% of the beds are dedicated to serve individuals with disabilities and families in which one adult or child has a disability, including unaccompanied homeless youth, that at a minimum, meet ONE of the following criteria according to NOFA Section III.3.d:**

- (1) experiencing chronic homelessness as defined in 24 CFR 578.3;
- (2) residing in a transitional housing project that will be eliminated and meets the definition of chronically homeless in effect at the time in which the individual or family entered the transitional housing project;
- (3) residing in a place not meant for human habitation, emergency shelter, or safe haven; but the individuals or families experiencing chronic homelessness as defined at 24 CFR 578.3 had been admitted and enrolled in a permanent housing project within the last year and were unable to maintain a housing placement;
- (4) residing in transitional housing funded by a joint TH and PH-RRH component project and who were experiencing chronic homelessness as defined at 24 CFR 578.3 prior to entering the project;
- (5) residing and has resided in a place not meant for human habitation, a safe haven, or emergency shelter for at least 12 months in the last three years, but has not done so on four separate occasions; or
- (6) receiving assistance through a Department of Veterans Affairs(VA)-funded homeless assistance program and met one of the above criteria at initial intake to the VA's homeless assistance system.

A renewal project where 100 percent of the beds are dedicated in their current grant as described in NOFA Section III.A.3.b. must either become DedicatedPLUS or remain 100% Dedicated. If a renewal project currently has 100 percent of its beds dedicated to chronically homeless individuals and families and elects to become a DedicatedPLUS project, the project will be required to adhere to all fair housing requirements at 24 CFR 578.93. Any beds that the applicant identifies in this application as being dedicated to chronically homeless individuals and families in a DedicatedPLUS project must continue to operate in accordance with Section III.A.3.b. Beds are identified on Screen 4B.

**1. Indicate whether the project is "100% Dedicated", "DedicatedPLUS", or "N/A", according to the information provided above.** N/A

Re: Committed Leverage of funds for Rural St. Louis County Permanent Housing Project 2018-2019

To Whom It May Concern:

Arrowhead Economic Opportunity Agency (AEOA) is committed to offering high quality homeless and emergency services to community members in our service area. As part of offering that service AEOA has committed the following funding and in-kind contributions for the 2018-2019 program year:

**Match = at least \$15,599**

AEOA will contribute minimum of \$17,599 as cash match from FHPAP and ESG for rental deposits (\$6,090), ESG and FHPAP for utility deposits (\$2,350) for units in the community and leasing funds already used at the SRO Italian American Building – Section 8 Mod/Rehab at an average amount of \$360 per unit per month for a total of up to \$12,960 per year.

**Leverage = \$95,600**

AEOA will leverage approximately \$32,400 in Bills House operations funds from other federal and state resources, outside of McKinney Vento Continuum of Care funding, estimating that a portion of participants may reside at Bills House for up to 30 days prior to entering in the PSH project; at \$90 per day per client average. Possible shelter sources of leverage will be CDBG, ESG State and ESG St. Louis County funds. AEOA will also provide a minimal amount of food and apartment supplies utilizing other funding sources such as individual donations to our Shelter Reserve Fund and other AEOA unrestricted funds. It is anticipated that each year, about \$500 per client will be accessed for a total of \$6,000. AEOA will also leverage Energy Assistance Program (EAP) funds through Assurance 16 and direct EAP assistance. It is anticipated that at least 6 clients will access EAP assistance for a total of \$12,000 in possible EAP funds. AEOA will also leverage FHPAP/ESG case management assistance and Employment and Training programs to leverage an additional \$17,600. Finally, the Project Manager's time on the project is estimated at \$30 per hour wage/fringe for 12 hours a month for a total of \$6,000.

Sincerely,

Angela Neal
